## **Are you a traveler?**

If you love to travel yourself, you have already mastered a major challenge for anyone in sales -- you know your product. In addition, you'll start saving money on your own travel.

## **Are you looking for a low-investment part-time or full-time business?**

You can become a part-time home-based travel agent today. And your initial investment can be less than 1 car payment.

## **Do you need a flexible schedule?**

Here's a business that allows you to set your own hours like few others. Whatever schedule works best for you, you can design your travel business to accommodate it.

## **Are you a teacher, entrepreneur or have a built-in audience?**

As a part-time travel agent, you can use your free time to sell travel and take advantage of it too!

## **Are you retired?**

You can make additional income, and enjoy some wonderful fringe benefits, just by specializing in the travel interests and needs of folks just like you.

## **Are you committed to a full-time career?**

If you find you love the travel business as much as you thought, you can test the waters for a minimal investment and decide for yourself.
